

chords : F, Am7, G

words:

and we talk about, your words of life
but can we understand, what makes a man alive
the breath of the holy one, the voice of the risen son
calling out to everyone the kingdom is coming now

be alive

i'm surrounded by, echoes of your design
when i join along, i know i'm truly alive
the voice of creation's song, hope for a world gone wrong
new life for everyone, is pouring out like wine

be alive
