

# Wanting More

*By Jeremiah Creiglow*

E B E  
Oh Lord how could you use a man like me,  
E B  
I'm broken in every way  
E B E  
And the list of my wrongs runs at least a mile  
long  
E B  
I ought to be left out at sea

C#m A E  
But You've heard all this before  
C#m A E  
And you've always wanted more

B  
'Cause you called my name and  
A E  
You said my shame was a lie  
B  
and if I am broken  
A  
I will serve as a token  
C#m B  
of your grace, oh, of your grace (to repeat use  
A instead)

E B  
E  
This mystery your love for me, that never runs  
dry  
E B  
Baffles me still to this day  
E B E  
That you care for me from when I'm born 'til I  
die  
E B  
Then after I'm with you to stay

C#m A E  
No one's ever said this before  
C#m A E  
And I've never wanted more
